CHURCH BUDGET

\$10,764.78

We are a growing church with growing needs. This budget is based on 50% of tithe. So we are suggesting that for every dollar you pay in tithe, pay 50 cents in church budget, and we will make our goal.

Tithe does not fund the \$10,764.78 needed each month to operate the church and its ministries. Since tithe is not used to pay for local church expenses, we hope that when you return tithe you will also contribute to the church budget.
